

## **New Greenmount West Community Association Website Usage Policy**

It is the desire of the New Greenmount West Community Association (NGWCA) that its website (<http://www.greenmountwest.org>) be a useful and efficient way to disseminate information about both Greenmount West and the NGWCA. To that end, information should be posted on the website in accordance with the following policy.

1. Information posted on the website should have direct relevance to the residents and community members of Greenmount West.
2. As the website is in essence a publication of the NGWCA, nothing should be posted on the website that the board of the NGWCA would not approve of publishing in the *Baltimore Sun*, or other mainstream news publication.
3. The board of directors of the NGWCA is ultimately responsible for the content of the website and shall reserve the right to edit information posted on the website or remove it entirely.
4. Anyone wishing to post information on the NGWCA website should submit it in writing to a board member who will then present it to the board for consideration.
5. This policy has been approved by a two-thirds majority of the membership present, with a quorum established, at its meeting on January 8, 2011 and any changes must be approved by a two-thirds majority of the membership present at a full association meeting, assuming a quorum has been established.
